MEMORANDUM FOR: J-3  
ATTN: Captain Hagerman

Subject: Berlin Planning (U)

1. Reference JCS 1396: General Norstad called me on the morning of Friday, 8 September, and stated that the US garrison in Berlin has not conducted patrols in Steinstuecken on a regular basis. He does not think that we should do so.

2. He also referred to the cable, attached hereto, which he had inadvertently failed to send to the Joint Chiefs of Staff. He stated that he considered that this cable and his oral comments to me on the phone completed action on JCS 1396. Unless he hears from us further, he will take no additional action.

3. I think that my telecon and the attached cable give us what we need. If you disagree, please advise me.

4. Please advise General Gray of this memo.
